Issue 07/2023

Additional School Resource Officers Assigned

Last year, City Council placed a high priority on supporting school safety measures, specifically providing School Resource Officers (SROs) assigned to each public school in Colleyville. At that time, officers were assigned to Colleyville Heritage High School and the two middle schools. The elementary schools and the alternative school were covered by sharing the SROs on a part-time basis. On August 2, 2022 City Council approved the Colleyville Crime Control and Prevention District (CCCPD) budget that included funding for six additional SROs in the Fiscal Year 2023 budget. The CCCPD budget receives funding from the 1/2-cent dedicated sales tax; no additional property tax revenue will be necessary to fund the new officers.

The Colleyville Police Department is pleased to announce the following School Resource Officer assignments for the 2023/2024 school year.

- Colleyville Heritage High School, Ofc Dalton Horton
- OC Taylor Elem., Ofc April Zablosky
- Colleyville Middle, Ofc Amy Beregszaszy
- Bridges and Vista, Ofc Kylie Crabtree
- Heritage Middle, Ofc Brittany Wood
- Liberty Elem., Ofc Jared Weatherhead
- Bransford Elem., Ofc Trevor Grisso
- Glenhope Elem., Ofc Pamela Romero
- Colleyville Elem., Ofc Chad Hodges

We welcome all of our new School Resource Officers and look forward to the new school year as they build positive relationships with students, families, school staff and the community!

Council Approves Gift Card Program for Summer

City Council has approved another gift card program for the summer, exemplifying the City's ongoing commitment to local businesses. Beginning early July, each Colleyville household will receive a \$35 patriotic gift card for purchases at participating restaurants and commercial retail businesses within our city. The City is also partnering with the Ministerial Alliance in distributing \$50 Colleyville Cares gift cards to each Colleyville house of worship for families needing assistance.

Once in hand, the gift card can be presented at participating Colleyville businesses for payment of services. The businesses will use the card to credit the transaction and receive reimbursement from the City at the conclusion of the program. Cards are valid through August 31, 2023.

With this patriotic gift card program, the City is saying thank you to the service workers at Colleyville businesses. Sales tax generating businesses can pick up a gift card for each employee as a thank you for hard work and dedication to our residents, many times with long hours in understaffed conditions.

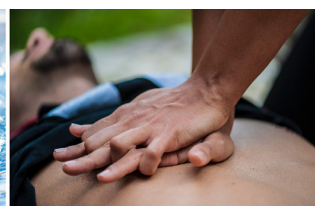

For a list of participating businesses, please visit [Colleyville.com/SupportBusiness](https://colleyville.com/SupportBusiness) or contact the City Manager's Office at 817.503.1111 for more information.

Fire Department Offers Variety of Free Programs for Community

Did you know the Colleyville Fire Department offers a variety of free programs for the Colleyville community? The programs include a water safety program (pool safety inspection & lifejacket fitting), CPR/AED instruction, car seat installation, smoke detector check, Stop the Bleed classes, Narcan use classes, and Pfizer Bivalent Vaccine booster.

The Colleyville Fire Department is pleased to provide these programs and promote safety throughout the community. For more information on any of these programs/services or to schedule, contact Karen Weir at 817.503.1401 or email kweir@colleyville.com.

Recreation Center Renovation Update

In November 2022, the City entered into a Professional Services Agreement with Brinkley Sargent Wiginton Architects (BSW) to provide an assessment of the Colleyville Recreation Center building (formerly Covenant Church) to include roof, mechanical, engineering, plumbing, and accessibility. Council also approved an additional agreement with BSW this year at the March 7 City Council meeting to continue oversight of the renovation project. Work continues on preparing all construction documents, with expectations for the renovation project to go out to bid later

this year. Phase I renovations are focused on converting the main worship room into a gymnasium. In the meantime, the building is being used by Recreation staff to host some of our youth summer camps that only need classroom space.

Economic Activity Around Town

Colleyville has exciting economic development projects happening throughout the City. Shipley Donuts will soon occupy the old Bahama Buck's site at 4605 Colleyville Blvd. Construction is moving along nicely for HTeaO at 4917 Colleyville Blvd. And, Green Curtis Daley Certified Public Accountants are constructing a new building at 6500 Colleyville Blvd. The City-owned six acre site at SH26/Acuff is under contract with The Woodmont Company. During the May International Council of Shopping Centers (ICSC) conference, conversations indicated a growing interest in the property from service businesses, coffee and quick serve restaurants. Thank you for your continued support of Colleyville businesses!

Need a Larger Recycle Cart? Upgrade Today

Do you recycle a lot each week? Need more space in your cart? If you currently have a 65-gallon recycle cart, you can upgrade to a 95-gallon recycle cart for FREE! To upgrade, contact CWD at 972.392.9300 (option 2). Additional carts are also available for a monthly fee.

Remember:

- * Recycle crews will only recycle items in the blue recycle bin(s).
- * Have your cart curbside or at the street by 7AM on your collection day.
- * Place the cart at least three feet from any vehicle or structure such as mailboxes, utility meters, poles, fences, etc. This allows room for the automated truck to pick up the cart.
- * The front of the cart (non-handle side) should be facing the street and close enough for the truck to reach it.
- * All recycle materials should be contained within the cart and the lid should be closed with no items on top of the lid.
