

## Ponds or Pools of Unwholesome Water

### Code of City Ordinances: Chapter 42, Article II. - Nuisances

#### Sec. 42-26. Definition.

Any condition or occurrence which is dangerous to human life or health, or which renders the ground, the water, the air or food a hazard or injury to human life or health, or that is offensive to the senses, or that is or threatens to become detrimental to the public health is and shall constitute a nuisance.

#### Sec. 42-27. - Acts Declared Nuisances.

The following acts or conditions are specifically declared to be nuisances. However, these declarations are not exclusive and any act or condition which is dangerous to human life or health, or which renders the ground, water, air, or food a hazard or injury to human life or health, or that is offensive to the senses, or that threatens to become detrimental to the public health shall be a nuisance even though not specifically declared a nuisance in this section:

#### (11) Ponds or Pools of Unwholesome Water.

Creating or allowing the existence upon any property of a pond or pool or container of unwholesome, impure, or offensive water or water which is conducive to the breeding of mosquitoes, is hereby declared to be a nuisance.
