

Removal of Trees Over Street Rights-of-Way

Code of City Ordinances: Chapter 86, Article III. - Public Rights-of-Way.

It shall be unlawful for any owner or occupant who occupies or controls any property or portion thereof within the corporate city limits of Colleyville, to permit or allow trees, tree limbs or shrubs to grow within, or overhang into, any street right-of-way at heights that do not comply with this ordinance. Any tree, tree limbs, or shrubs, which are growing at a height less than required by this ordinance, may be declared a public nuisance.

Section 86-51(a)(2). It shall be unlawful for any person owning or having supervision or control of any real property within the corporate limits of the city, to permit or allow a tree, shrub or tree limb to grow upon any such real property, or along the sidewalk or street adjacent to the same between the property line and the curb, or if there is no curb, between the property line and the edge of the street, if any portion of the tree, shrub or tree limb is growing at a height less than 14 feet above the pavement of the roadway, or seven feet above the pavement of the sidewalk.

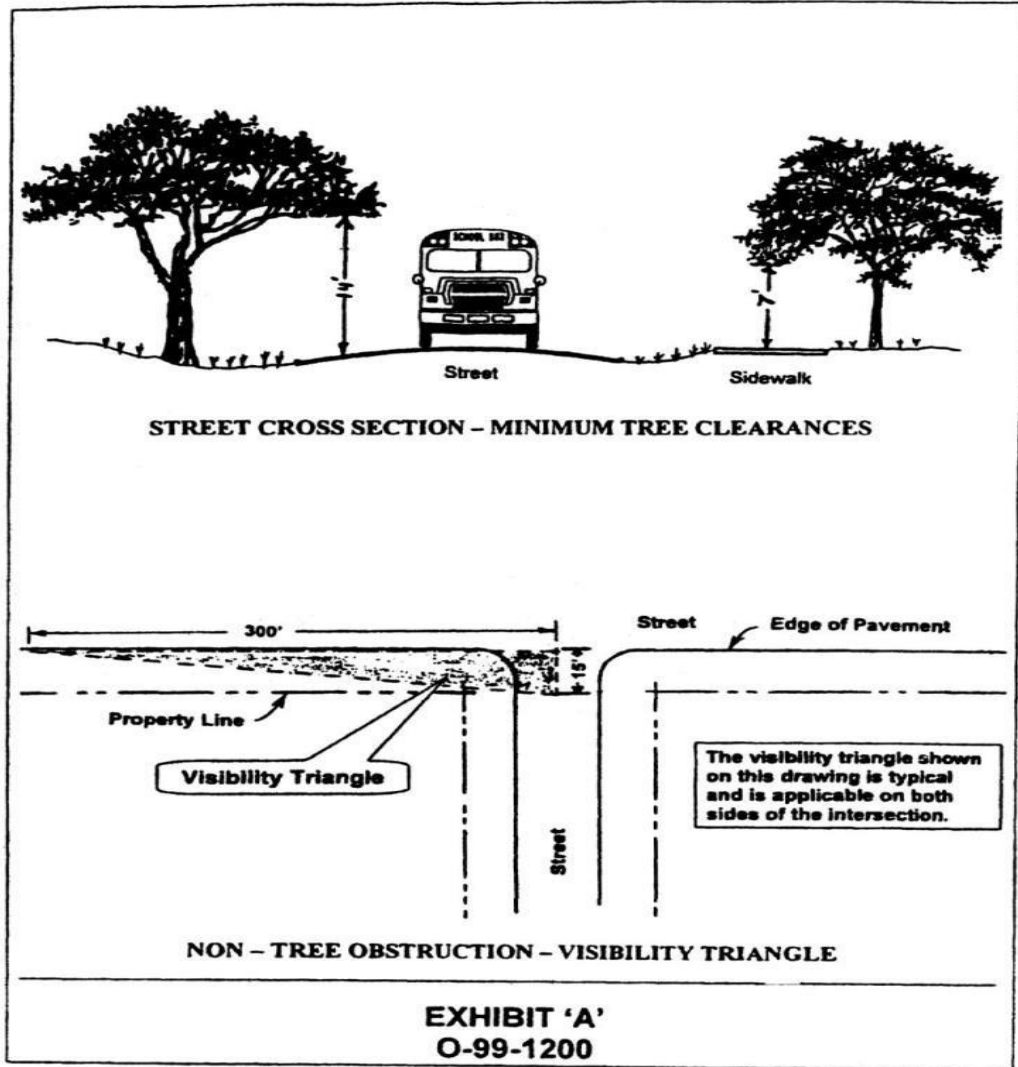

Section 86-51(a)(3). A tree, shrub or tree limb shall be deemed to interfere with or cause an obstruction to motorists or pedestrians if it obscures the motorists' or pedestrians' view of any street intersection, sign or traffic control device or if it otherwise causes or creates a hazard that could reasonably cause property damage or personal injury.

Section 86-51 (b)(1). Trees, shrubs or tree limbs which interfere with, or cause an obstruction to motorists or pedestrians by obscuring the view within the parkway

visibility triangle as illustrated on the attached Exhibit "A", or the view of a traffic control device shall be hereby declared a public nuisance. For purposes of this ordinance, the viewing area shall be the area between 30 inches and seven feet above the ground.

Failure to comply with this City ordinance may result in a citation and/or the City may perform the work necessary to abate such violation(s). If the City's cost to abate this violation is not paid to the City within 30 days after billing, it will become a charge against the property and the City may file a lien upon the property.
